Percy's Big Day

It's time to celebrate Percy for being such a "Useful Engine" over the years! Have fun with these memorable photos that show Percy at his very best!

Best Friends...

Having a best friend like Thomas at his side makes Percy's day a lot of fun.

Even when Percy had a little accident with some straw, his good friends Thomas and Toby were there to cheer him up.

Hard At Work...

The engines and their drivers eagerly await their daily orders from Sir Topham Hatt so they can be "Really Useful!"

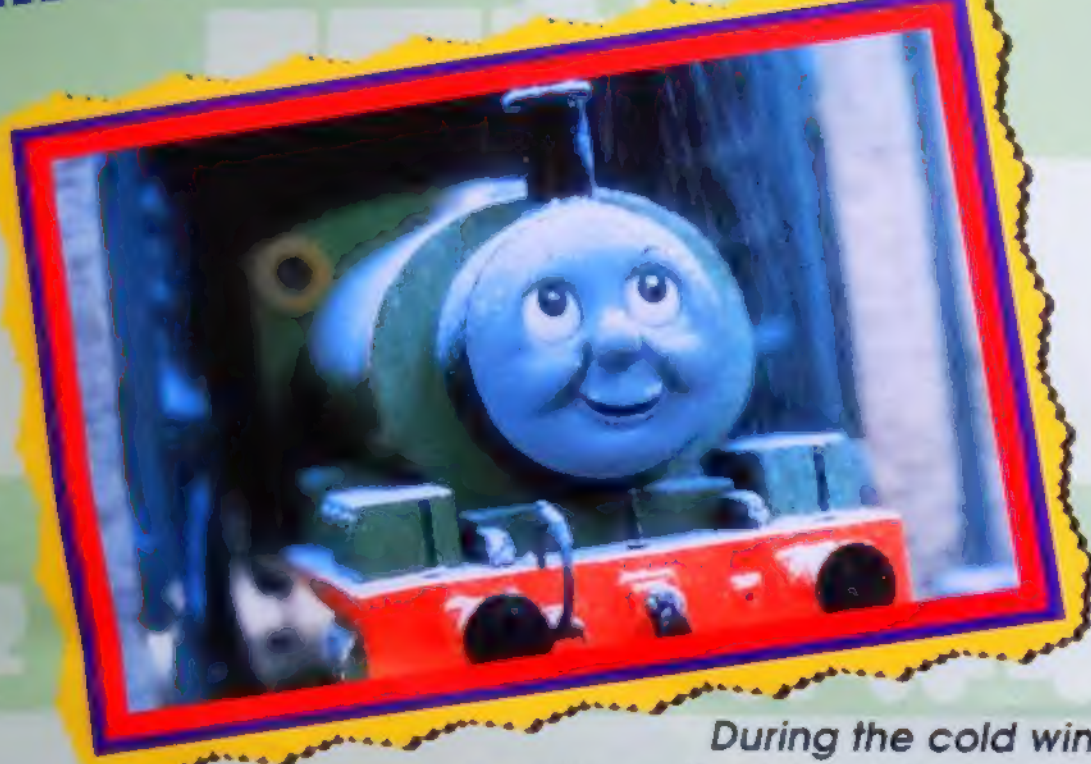

Percy helps rescue a floating Toby.

Percy moves out of the runaway Boulder's way just in the nick of time.

In The Winter...

During the cold winter months on the Island, Percy enjoys sitting outside and watching the snow fall – even if he doesn't have his scarf.

"Percy, it looks like you're catching a cold. Gazuntheit!"

Sodor Celebrations...

Although they enjoy working on the Island, the engines love to get together for celebrations.

Percy enjoys getting together with his other engine friends to help celebrate the holidays.

Percy gets a kiss from the bride after saving her wedding.

Playful Percy...

Now that's what I call eating your fruits and vegetables, Percy!

Trains aren't supposed to swim Percy!!

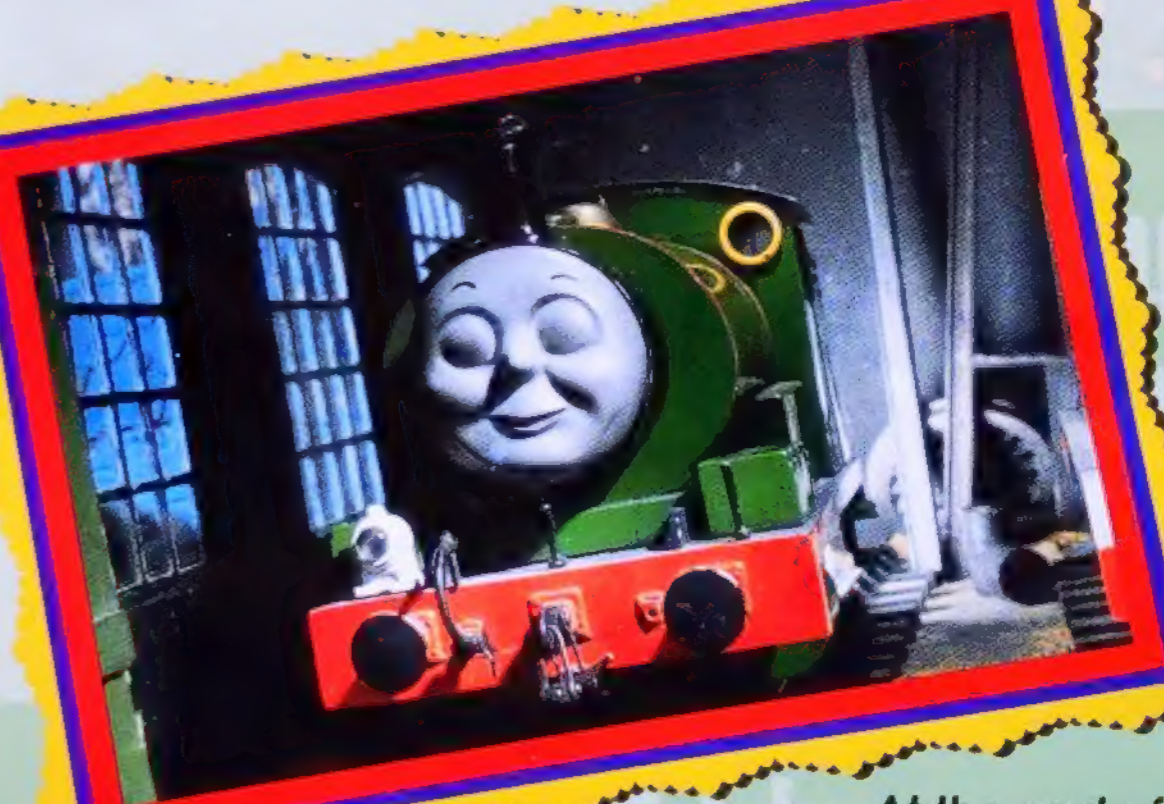

Don't be scared Percy!

Time to Rest...

After a hard day of working at the docks, the engines take a break to look out into the harbor.

At the end of a long day of being Really Useful, Percy goes back to his engine shed and gets a good night of sleep.
